St Mary's Church Bletchley is a Grade 1 Listed Building surrounded by a historic closed church yard and has a thriving congregation of over 300 people. This means that there may be possible restoration work taking place of both grounds and building. This needs to be accepted on booking the church for a wedding.

If you do not reside in this parish, YOU MUST arrange for your own banns to be read in your own parish church. This is a legal requirement.

Please complete this form and email it back to us at weddings@stmarysbletchley.org
